Los Pilares De La Tierra [The Pillars Of The Earth]

Synopsis

Los Pilares de la Tierra es la obra maestra de Ken Follett y constituye una excepcional evocación de una época de violentas pasiones. El gran maestro de la narrativa de acción y suspense nos transporta a la Edad Media, a un fascinante mundo de reyes, damas, caballeros, pugnas feudales, castillos y ciudades amuralladas. El amor y la muerte se entrecruzan vibrantemente en este magistral tapiz cuyo centro es la construcción de una catedral gótica. La historia se inicia con el ahorcamiento público de un inocente y finaliza con la humillación de un rey. Please note: This audiobook is in Spanish.

This is the Spanish text edition of "Pillars of the Earth", a masterful saga of life in twelfth century England and epic storytelling at its best. The author weaves a rich and colorful tapestry of people, places, and events surrounding the building of a magnificent cathedral in the medieval town of Kingsbridge. Early twelfth century England was a country in a state of flux. King Henry I had died without a male heir. His daughter Maude was to be queen. The English barons, for the most part, however, refused to swear fealty to her. Maude's first cousin, Stephen of Blois, then usurped her rights and proclaimed himself king. This was to plunge England into a civil war that was to last for many, many years, turning England into a virtually lawless and tumultuous land, until Maude's son became King Henry II of England. For most people, however, life would go on with every day concerns being paramount. The book tells the story of a number of these lives. One story is that of Tom, a master builder, whose life long dream was to build a cathedral. The lives of Tom and his

family would intersect that of a humble and intelligent monk named Phillip who would become the prior at Kingsbridge Priory. The fates would intervene and provide Tom with an opportunity to pursue his dream. Their lives would intersect with a number of other individuals, some good, some evil, who would have a great impact on their lives and their goals. Tom would lose his first wife, Agnes, by whom he already had two children, brutish Alfred and sweet Martha, due to complications sustained during the birth of another son. This son was to provide a connection between Tom and Phillip of which Phillip would long be unaware.
