Making The Right Impression: The Definitive Guide To Renovating, Expanding, Or Building Your Perfect Dental Practice

Synopsis

Discover a better way to plan, design, and build your ideal dental office. As a dentist, your days are packed with patients, leaving you little time to consider the appearance of your office. But patients immediately judge you and your practice the second they see your office. A dated office can ruin your reputation, and an inefficient layout will increase stress and lower productivity. In *Making the Right Impression*, the nation's leading dental project consultant, Jason Drewelow, shares years of experience renovating and building dental offices. Whether you're updating your current office or building a completely new office, Jason walks you through what you need to consider and who can help along the way. Learn how to take the stress out of your office project and make an amazing impression.
