Barebrat: MEGABundle + Bonus

Synopsis

You Can't Fight Biology When these brats get ravished hard and unprotected you can bet they're going to be left with a little present. Gathered together for the first time ever is the entire catalogue that brought Eliza DeGaulle to the top 100 ranked authors in the genre. With almost a MILLION filthy, forbidden and taboo words dedicated to swelling innocent bellies, it's so hot that it will not only melt your Kindle, but you'll probably need a cold shower yourself. Also, for a limited time, features six bonus stories from Scarlett Skyes, an author who has ranked #1 in the genre. If you're looking for the best of the best, from well-known and trusted authors, accept no substitute. These brats have the perfect pout, but that's no defence against being laid bare to the kind of men who take what they want.
