The Bride Of Convenience: Historical Medical First Time Menage

Synopsis

“My wife is more entertaining than I thought possible.” Molly’s father has recently died leaving their small family in debt. Looking for work she applies for the position of housekeeper for Dr Torrance Carruthers, but quickly discovers during the job interview that it’s not quite the job she thought. She doesn’t understand why she needs an examination nor why after playing with her body and senses, he suddenly stops. It soon becomes clear the doctor is not the only one interested in her future and very soon she has two men vying for her attention eager to stretch and fill her up for the very first time. A short hot read from the pen of Kinsey Grey.
