Marrying Mr. English: The English Brothers #7 (The Blueberry Lane Series Book 11)

Synopsis

"Katy Regnery is a fresh new voice. I eagerly await every Katy book and I tell everyone I know to read them!" --Carly Phillips, NY Times Bestselling Author

Note: *Marrying Mr. English* is a STANDALONE PREQUEL to the English Brothers series and can be read before or after the other six books. Trust fund playboy, Tom English, was supposed to find a "good woman" and marry her by midnight on his 32nd birthday. If he didn't, his grandfather promised to disinherit him. Unfortunately for Tom, three days before he was set to get married in Vail, his fiancée elopes with her skiing instructor leaving Tom high and dry. With only a week before his birthday, it looks like Tom will forfeit his millions. When Eleanora Watters, a smart, sassy - totally broke - waitress, spies down-on-his-luck Tom English in the breakfast-all-day diner where she works, she doesn't think much of him. He's at least ten years older than she is and he looks like another trust fund jerk with a silver spoon shoved up his...a-hem. But Tom surprises her. Set up on a blind date by Eleanora's cousin, the two bond over books, and after spending just a few hours together, Eleanora offers to marry Tom in order to help him secure his fortune. After a whirlwind marriage in Las Vegas, Tom and Eleanora begin to realize that they're not as unlikely a match as they once seemed, and their feelings for each other deepen. But when Tom's grandfather sees through their scheme and threatens to cut them off, Tom will have to decide if he wants the money more than the Colorado waitress who seems to be something between "a dream and a miracle." This full-length, standalone prequel can be read before OR after the six English Brothers novels! _____

All books in The Blueberry Lane Series can be enjoyed as standalone novels.

Customer Reviews

This book was oh it was a perfect beautiful loving fairy tale of love and passion. But it was also a look at someone truly finding love and having that love transform you into a better person. That is what Tom found unexpectedly when he went to Vail and we are privileged to read this wonderful wonderful romance. So beautiful and sweet. We see the good and the bad. The bad being the struggles they have but even in the struggles they have love. Love that guides them and shows them what matters. Tom is a great mix of cocky but also sweet and kind. He didn't expect to find love in Colorado and he didn't expect to have it change his world. He never expected to fight for that love and give up everything. Tom grows so much. He goes from the carefree in a way spoiled rich guy who is smart and kind to a loving free man who wants nothing more than to show his wife love and devotion. To take care of her and make all her dreams come true. He gives up everything so he can be with her and make something of their life. He struggles and takes a job that doesn't pay much so that they can have each other. So so romantic. they struggle and fight at times but nothing that causes angst just what happens when life comes crashing into your world. Eleanora is a sassy smart and caring woman that rocks Tom's world. She shows him it doesn't matter where you come from because you can still be yourself and become something. And she like Tom falls in love instantly. She falls in love because he didn't care she was a waitress. She fell in love because instead of wanting to get her in bed right away he wanted to talk to her and get to know her. She wants to make sure he is supported and loved especially after he gives up his everything for her. She is his strength and his heart.
