Share Me, Touch Me, Tie Me: One Night With Sole Regret, Anthology Series, Book 2

Synopsis

For the five rock gods of Sole Regret, finding love is easy, keeping it is hard. Share Me is a prequel to the series. Lindsey follows the Sole Regret tour bus up a dangerous and snowy mountain pass to meet the band and spends Christmas Eve getting to know musicians Owen and Kellen far better than she ever imagined. In Touch Me, Sole Regret's bassist and playboy, Owen Mitchell, meets an older woman in a sex club. She's looking to forget her cheating ex-husband and Owen knows exactly what she needs to heal her tattered ego. In Tie Me, Sole Regret's brokenhearted rhythm guitarist, Kellen Jamison, has mourned for his lost love for five lonely years. Can a beautiful classical music composer finally break through the wall around this rock star's heart?

Customer Reviews

Sex sex and more sex. If you don't mind Rockstars, groupies, women turning these "sex on sticks" around and lots of different sexual situations, you will enjoy this series of 3 books. I for one am a fan of these sexy rockstars of Sole Regret and what makes them tick and how they got to be where they are. I love the fact that Olivia Cunning loves these bad boys of rock and can make you fall in love with them. These stories are fast reads, but definitely make you fall for each and every band member in a different way. *This is the second set of (3) stories put together in one book for each member of Sole Regret. The first book of 3 stories was Gabe, Adam and Shades/Jacob stories. Each story tells of one night of a band member and the women who look like they just may tame them.*Share Me takes place before any of these bad boys settle down, but is actually needed to let

you in on other parts of their stories down the road. One big snowy, sexy orgy is what I would call it. Not my favorite of the series, but gives you a history of the characters that unfolds in the 2 following stories with Owen and Kellen. Touch me is Owen's story and he is like a young, cocky pup that I just want to take home and tame. He actually holds his own with his love interest, Caitlyn. And she grounds him...somewhat. They are a playful couple with a bit of age difference, but I have a feeling, their story is going to be fun to watch unfold in following stories. Tie Me is Kellen's story. And boy did this guy affect me like no other. He is a broken guy that has a heart of gold and so much love to give, but can't allow it from promises he has made in the past. I thought he might be kind of an ass, but after seeing him with Dawn, he might be my favorite band member (along with Gabe, that is...).
