Summary - A Spool Of Blue Thread: A Detailed Summary About The Novel Of Anne Tyler!! (BONUS: Fun Quizzes To Help You Understand A Spool Of Blue Thread) ... About The Novel; Audio Paperback Audible)

Synopsis

A Spool Of Blue Thread: A Detailed Summary Of The Book of Anne Tyler!!A Spool of Blue Thread by Anne Tyler is the piercing story of four eras of the Whitshank family living in Baltimore. They are a conventional family like some other, yet they are likewise extraordinary in their own particular eccentric ways. The individuals from the family love and look after one another but they likewise harbor jealousies, competitions, and convey insider facts. Red Whitshank maintains the family business, Whitshank Construction. His wife, Abby, is a social specialist, and they are the folks of four kids. Their third youngster, Denny, is a regular wellspring of stress for them. Throughout the years he is in a bad position, holds different employments, and is in various unsuccessful connections. His visits and telephone calls are sporadic. There are two stories in the Whitshank family that are regularly rehashed. The primary is the tale of Junior Whitshank, Red's dad and the organizer of Whitshank Construction. He constructed a family home for the Brill family, and he went gaga for that house. In his brain it was his home, and he gave careful consideration to each point of interest. An opportunity emerged for Junior to purchase the house back from the Brills, and he took it. He moved his wife, Linnie Mae Inman Whitshank, and their two youngsters, Red and Merrick, into the house. After Junior and Linnie passed on in a mischance, Red acquired the house and that is the place he and his family now live. The other frequently rehashed story is about Red's sister, Merrick. As indicated by Red, Merrick stole her closest companion's life partner from her. In 2012, Abby starts to have scenes where she encounters mental power outages. She has no memory of substantial pieces of time. Abby has dependably been a little bizarre. She is known for welcoming what her family alludes to as her vagrants, individuals less lucky than the Whitshanks, to eat with them. It is hard to tell if these scenes are a piece of her erraticism or a restorative issue. At the point when Red shows some kindness assault that same year, the family begins to stress. He recuperates rapidly and does a reversal to work, yet he is diverse. He gets tired effectively and begins releasing things around the house. Customer Reviews

Great analysis of the book. I just finished the novel and picked this up as a companion. There is a section on symbols and themes that really brought it all together for me. When you read through a book, at least for me, I find that I forget or missed a number of things and using the chapter summary section helps me pull it all together. The review section was spot on I felt. A few things I missed when I read *A Spool of Blue Thread* were picked up after this book and that's priceless to me. Highly recommended and I look forward to more from Book Sense. The original book jumps around a bit and the Story Plot Analysis really helped me figure out what the plot was. I was confused a number of times as I am sure other readers were. Especially with all the secrets Abby kept it was hard to follow at times. There were a number of secondary characters and the summary of the characters helped me get a handle on it as a reference.

As one would expect in an Anne Tyler novel, the character work is exemplary, often taking precedence over the mechanics of plot. And her prose is a wonder: smooth, almost gliding, and gentle...deceptively gentle until it grapples with some truly unpleasant things. The themes of wanting to belong, wanting to be special, sibling rivalry, class rivalry, woven together with a tight bond of love that the characters ultimately reveal, makes this a story to immerse yourself in. The reader will really get to know this family and feel a part of it. It is a wonderful book and such enjoyable reading!

A terrific summary and analysis of *A Spool of Blue Thread*. Anne Tyler is an outstanding novelist who touches on an insight and humor that can really get to the heart of a story. But she also writes generational pieces that span a large amount of time, and *A Spool of Blue Thread* is no different. I don't think I could have kept all the family sorted out, there are four different generations of the Whitshank family that unravel in this sprawling tome. It also spans almost a hundred years, with a bit of moving around. The summary overview and chapter breakdown presented here was so helpful with keeping me connected with the right timeline without having to guess until I found a hint in the story. For me, the best help with this read was the analysis of Denny and the nice look at the major symbols, from the Whitshank House to the simple little spool.

This was a perfect follow-up to a book I loved and wasn't ready to be finished reading. The author did a great job of summarizing the plot and pointing out the themes and symbolisms of the story, etc. Since I didn't have a book club to discuss the book with, this was a nice alternative and worth the \$2.99.

Anne Tyler has been an astounding onlooker of human characteristics, human frailties and specifically of families, great and terrible. In this novel we are acquainted with the Whitshanks, mother Abby and father Red with their four developed youngsters, at any rate developed toward the start of the novel. Like most families, they don't generally get along, they have privileged insights from each other and one wouldn't exactly like to fit into the family form.

I enjoyed most of this book. The weakest link, in my opinion, was the son. He seemed totally out of place. Some where it was said that he was the main character or the hero. I can't see that at all. But there were so many delightful stories of the various people in it I guess overall I would say it was charming.

A Spool of Blue Thread is a short novel book that I've read out within 2 days. No doubt that Anne Tyler can easily find out the main character of each book perfectly. This time again author proofed himself as a standard writer. The story is about a man whose name is Red Whitshank, a carpenter and father of four children. The Whitshanks are a family who believe certain myths about themselves. They believe they are happier than other families, and closer to each other, and they believe that Whitshanks have a way of getting what they want. In the winding course of this novel,

Tyler shows how these beliefs are true in some ways, but painfully untrue in other ways. The story has much more interesting part that i haven't write here. Fans of Anne Tyler definitely will not be disappointed, and new readers will no doubt rush to read her extensive back list.

I read "A Spool of Blue Thread" when it was first released and I really enjoyed it. My book club decided to make it their book of the month and I wanted to make sure that I was ready to discuss the book without having to read it all over again. I've read other Summary & Analysis by Book*Sense, so I naturally turned to them for this one as well. As always, there are well written summaries of both the major and the minor characters, a chapter by chapter analysis and a thoughtful review. Thanks to this summary and analysis I was able to keep up with the discussion at the book club. Excellent work!
