Beautiful Spanish edition of the Liturgy of the Hours. This edition uses the Spanish version of the Psalms that is read in the Liturgy of the Mass in Spain -which is not the same as those ones from Mexico or other countries. This translation traces of the Hebrew format of poetry, lost in other Spanish translations for the sake of simplicity and other pastoral reasons. Also the Spanish version of the LoTH, keeps for the Office of Reading two cycles, one for Year I (odd) and one for Year II (even). The English version used for the United States includes only one yearly cycle. NOTE: this item is not for the whole set of four volumes; it includes only volume IV -from week XVIII to XXXIV of the Ordinary Time.
