Customer Reviews

While I found this book riveting for the most part (well written which is why I gave 3 stars), largely due to the "twist" between Gabriella, Flynn and Edward, I did find certain aspects of a few characters frustrating and unrealistic, not to mention irritating! Can a man who is in his thirties

(around there, right? I'm not really even sure how old Edward was, just that he was the oldest! I did get the feeling he wasn't exciting enough for Gabriella despite the sexual connection he shared with her) be so naive and clueless about women? He had the right impression about Gabs - I found her southern charm and sweetness with a bite believable, so falling for her was totally okay. What was NOT okay was how he could have replaced her with KENDRA, who did everything nice girls do NOT do! Of all the characters in this book, I found KENDRA the MOST ANNOYING! She is even MORE SCREWED UP than Gabriella, who at least had a few more morals to actually have sex with only TWO guys, although I must admit I found the twist of the relationships with the two half brothers the most compelling aspect of this series. I do believe the author could have taken a bit more time to be more realistic about how the relationship between KENDRA and EDWARD could have been established or evolved, although I found it inconceivable how Edward could have found Kendra an appropriate substitute for Gabriella, and worth enough to be the recipient of his true and "tender" love when this girl was a skank of the first order!

Love this series
Vol. 1 Another amazing job by M.S. Gabriella & Kendra are roommates and struggling until Kendra gets a model job. Going to a job interview Gabriella was hoping to get the job until Flynn sabotages for his own intentions. Meeting again at a party Flynn & Gabriella you could feel the sexual tension and he offers her a job. When going for the job Gabby & Flynn give in to the sexual tension. I really liked the connection between Gabriella & Flynn until he became cold. But meeting Edward was her fantasy coming true. The connection they have and how easy they are together I would read their story all the time. But will secrets destroy her happily ever after? I can't wait to read what happens next because I need to know what will happen next
Vol. 2 When coming face to face with Flynn after Edward introduces her to his family. She had to act like she didn't know him. How long can this charade go on? When catching up with Flynn so he can tell Edward she does something she thought she would never do again, model. Then she meets Cody, Flynn & Edward's brother. She can be herself around them but with Edward she is more closed off. With Edwards mother hating her and belittling her, will Gabriella be able to handle being Edward's wife? I love this story and can't wait to see what will happen next
Vol. 3 This series just gets better and better. Gabriella has to stay away from Flynn, but with her needing money it is hard for her to stay away and her feelings and thoughts of Flynn doesn't help. She loves Edward and wants to marry but a night out with Flynn, that might not happen. With feeling over-whelmed Gabriella needs to get away from NY and a trip home is what she needs. When Gabs gets back, it is back to reality and back to Flynn.
