When Hope Is Gone: The Story Of Papo Salsa

Synopsis

Eduardo Torres is a forty-five-year-old recovering drug addict, down on his luck, trying to survive on the streets of New York's South Bronx. Living in a homeless shelter, he spends his days begging for handouts and doing odd jobs for neighborhood merchants. But he wasn't always like this. In his dashing youth, Eduardo was known and loved for his love of salsa music and his natural dancing ability. Once revered as "Papo Salsa" in his neighborhood, Eduardo is now a different man-broken and hopeless. He's one of many victims of the turbulent times of the late sixties and early seventies, when the Vietnam War shattered lives, tortured families, and stole innocence from even the most well-intentioned individuals. One day, Papo Salsa encounters Jos   Antonio Rivera, an educated professional from the same neighborhood as Papo. Though a few years younger, Jos   remembers Papo as a heartthrob to girls of all ages, a guy the neighborhood boys looked up to. But Papo does not immediately recognize Jos  . He begins telling a story of bad breaks and wrong decisions, in an attempt to explain why he is where he is now. *When Hope Is Gone* is a graphic yet moving story of love found and lost, set in the volatile environments of urban life, war, and drug addiction. Throughout the years and the fears, the hypnotic rhythms of salsa music-the soundtrack of the times-is the one thing these wounded souls could always turn to for inspiration.

Customer Reviews

This is a novel of a young man's life torn apart by war. Papo Salsa, his real name is Eddie Torres, lives in the Bronx. He salsa dances like a champion. His life is going well for him, he's a good kid, respectful, he has a nice girlfriend who he's deeply in love with, suddenly he's drafted and sent to Vietnam, then everything changes for Papo Salsa. I enjoyed this book, I honestly thought I might not

like it but it turned out to be a great story. The author completed his purpose for me because he took me into the life of Papo Salsa and immersed me in his story. For a newly published author Mr. Acevedo is pretty good and this story is worth the read.

Loved it. Found myself caught up in the narrative from the start. Mr Acevedo does a great job of bringing to life the people, the Spanglish even the love for the music and dance only a salsero could really understand. Bravo!
