Customer Reviews

This is one of the reasons that I SELDOM PURCHASE multiple story books. They are the same ol' same ol' . apologies to the Author. She has the imagination to write a better, no, I do not know her, but sometimes a reader runs across an Author that gives them the hope that the Author will write something more in depth. Good Luck

I enjoyed reading Erotica: 10 Group MMF First Time Taboo Brat Sex Stories, all about young girls wanting the taboo, and getting it and exploring their pleasure on their terms! If you get a chance read this story book bundle. The author wrote ten very different stories but each is taboo and was hot and very steamy and will make you very, very wet! Enjoy reading this collection, because I certainly enjoyed it!

Forbidden is one thing, although the nature of these stories is just not my kink. Step dad marrying single mom with young twins with the intention of eventually screwing and impregnating both of them? Sorry, but hells to the no. I like some raw $***, but this stuff is just NO.

The storylines were okay. The sex was hot and steamy. The characters were flat and sometimes none existence. Not bad for short stories.
