## Customer Reviews

Again I've enjoyed following this crew on their escapades through street life. I can't wait to see what happens with Kelsey when Stunna wires his sister up. I doubt that Daniels lives much longer. It'll be interesting to see if Jada skates by. Meeka and Q ought to make for an interesting couple going

forward. (Of course unknown to her sister) Hurry Kevin and don't make me wait long. You really ought to discuss an HBO show or online streaming of this series with 50.

I so love this series. It gets better and better with each read. K. Elliott is so talented. Look forward to the next Installment. I hope Q and Starr get back together. I think Jada is doing a bit too much.

I'm enjoying this book but jada ain't right I don't like her anymore and I hope stunna be ok I hope he had one of those bullet proof vest on . And I hope they find out that jada set shantell up and I hope that danial gets what's coming to him.I'm ready for the next part

I started reading this book when I got to work this morning and couldn't put it down. I was literally reading in between clients. Of course K Elliot didn't disappoint. Can't wait for the next installment.

This series keeps getting better and better. I like how the characters are not one dimensional. Their thought processes and actions aren't predictable. I like that. It keeps me interested in the series. I like the genuine love that Jada and Shamari has for each other. I'm real curious how these new people are all connected to everything else that's going on. Keep up the good work, Mr Elliott. By the way, the ending was scandalous. I can't wait for the next one.

K.Elliott did it again!! I love kingpin wifey's series!!! Everytime they come out I read the new book in a day or less! Thank you Kevin Elliott!! Never stop writing you have true talent!! I'm a huge fan! Always leave me wondering what's next! Thank you!!

This series is unbelievable!!!! Nothing but cliff hangers ! K. Elliott you have once again left me anticipating more!!! I have so many questions that need to be answered! Is Stunna going to survive? Is Jada going to continue to work for Agent Daniels? Will Tete actually have Daniels killed before he ruins someone else's life? Is Fresh going to jail? Is Starr ever going to find out who really had Trey killed? And the biggest question of all: Is Q really going to sleep with Meeka???? I can't wait until part 3 comes out!!!

He did it again.... left me wanting more!!! Great read, this series never disappoints me. Will Stunna live? Will Fresh find out Jada set him up? When is the next release, I need my fix. I recommend this series for anyone who wants to feel like they are connected to the characters and who wants a book

they never want to put down.
