# The Billionaire's Secret Daughter: A BWWM Romance

## Synopsis

Life has a way of giving second chances, it's up to you whether you accept them. They say people don't change, but eight years ago Olivia was a different person. A woman locked in prison, with a baby in her belly and a difficult decision to make. A person who hit rock bottom. Now, almost a decade later, she has dedicated her life to helping addicts turn their lives around. Yet, the decisions she made in her darkest moments still haunt her.\*\*\*\*Dylan is struggling to raise his three daughters alone. He never expected life to go like this, but it turned out that his billions of dollars may provide a good life for his family, but it couldn't stop his wife from dying of cancer. His youngest daughter, Iris, has questions now. Why does she look different from her siblings? Who is her real mother? Money may not have been able to keep his wife from leaving their family forever, but maybe he can use it to find Iris's biological mother. Dylan investigates first, he expected to find Iris's mother. However, he also found the one thing he wasn't expectingâ | love.

## Customer Reviews

I have read a couple of nice stories by this author but this one wasn't as much fun. The story had great potential however it was very unrealistic what self respecting man would put up with this

ex-inmate speaking such foul language. What right does the lead female character have to even get an attitude I mean really? Not that she should not be treated with respect as a human being but come on the man was protecting his child and no one who is a decent adult wants their children around someone with her background unless they can confirm the individual has reformed. Another thing that really annoys me these days I've noticed with this genre more often than not the female leads are mean spirited and unappreciative. In essence they are usually rude to the nice guys. It's annoying.

I really liked how the story line was presented Dylan looked for his adopted daughter's mother first and got to know her before letting her interact with the kids. But once he had feelings for her, he should have told her the truth.

I enjoyed the story ; but wondered if there is a app that could take care of the typos and grammatical errors. Because there were quite a few of them it became annoying. Otherwise I would have given a higher rate.

Good story to read. It wasn't earth-shattering but it was very moving. I like how the author developed the characters and made you love who they were and understand why they were matched

I know it was hard to give up a child especially of your in prison But to find love and be with your child is pretty amazing. You could find that in real life just don't give up hope and stay the course that life has for you and know that you can make it too. Don't second guess your life do something about your situations they will not solve themselves. A lot of work and time put in it you can achieve. And all things worth doing. Small children adapt better than some grown ups. I really enjoyed this book at first I didn't think I would but I kept on reading and couldn't stop.

Thus book was on. Not my usual read. I did feel like there was a lot of unnecessary inner dialogue and useless information. I found myself skipping through portions because it was taking too long to get to the point. Then the story abruptly ends and then picks up 20 years later which I thought was strange. Dylan was a bit of a stalker and Olivia has her own issues.

Story was sweet just a lot of typographical errors. I really liked the fact that it dealt with real life crisis. Addictions of any kind is hard to deal with, rather it be the person with an addiction or family

members. Glad there is help out there for all involved.

Billionaire's Secret baby. I really enjoyed this book! It was so different from the usual Billionaire books. Dylan was a different kind of guy. He loved his wife and children. Unfortunately, his wife died so he had to raise their 3 daughters (2 by his wife and 1 they adopted by a woman who was in prison). Dylan loved all his girls the same but he knew that Iris might want to know her real mom. Dylan looked her up found her mom. To make sure Olivia was not a threat to Iris, Dylan met Olivia first. He was smitten by her. They became friends but he knew that he was betraying Olivia and had to come clean. This is a must read!
