El Dragón De Hielo / The Ice Dragon (Spanish Edition)

Synopsis

Todos en la aldea coinciden: Adara es una niña rara, una niña del invierno. Nació durante la peor helada que se recuerda, y el frío se quedó para siempre con ella. Es fácil verla pasear sola por los campos helados o construir imaginarios castillos de arena y hielo. Nadie lo sabe, pero espera, impaciente, la visita del dragón de hielo. Adara no puede entender por qué todos le temen tanto si para ella es su mejor compañero de juegos. Con él se olvida de que el eterno enemigo del norte se acerca peligrosamente a la aldea y que lo mejor será huir a las tierras cálidas del sur... George R.R. Martin, mundialmente conocido por su saga de literatura fantástica "Canción de hielo y fuego", nos ofrece este conmovedor relato de una amistad que puede con todas las barreras. Reseñas: Este encantador cuento de Martin está lleno de pasión y poder... una aventura conmovedora con la tensión narrativa que cabrá esperar en un autor de esta talla. January Magazine Martin va más allá de lo que podremos esperar al ofrecernos este extraordinario cuento. Imprescindible para los fans de Martin, este es un buen libro para cualquiera... que ame el invierno y los dragones. ENGLISH DESCRIPTION The Ice Dragon is an enchanting tale of courage and sacrifice for young readers and adults by the wildly popular author of the #1 New York Times bestselling Song of Ice and Fire series, George R.R. Martin. Lavish illustrations by acclaimed artist Luis Royo enrich this captivating and heartwarming story of a young girl and her dragon. In the world of A Song of Ice and Fire the ice dragon was a creature of legend and fear, for no man had ever tamed one. When it flew overhead, it left in its wake desolate cold and frozen land. But Adara was not afraid. For Adara was a winter child, born during the worst freeze that anyone, even the Old Ones, could remember. Adara could not remember the first time she had seen the ice dragon. It seemed that it had always been in her life, glimpsed from afar as she played in the frigid snow long after the other children had fled the cold. In her fourth year she touched it, and in her fifth year she rode upon its broad, chilled back for the first time. Then, in her seventh year, on a calm summer day, fiery dragons from the North swooped down upon the peaceful farm that was Adara's home. And only a winter child and the ice dragon who loved her could save her world from utter destruction. This new edition of The Ice Dragon is sure to become a collector's item for fans of HBO's megahit Game of Thrones.

--- THE ICE DRAGON, by G.R.R.M. --This was the first "true" book I read to my children. Yes, I chose to read GRRM to them. Although this is no "Song of Ice and Fire", you can feel this is one of his stories (as it IS kind of violent in a few places). The book is quite short, if you read it on your own you'll probably finish it in one sitting. The setting and story are good, and you'll probably enjoy it more if you read it to your kids. The only drawback is that I feel the ending is not very good. If you read it to your kids, be sure to read a bit of it in advance before you do it with your audience. If your kids are too young (as mine are) you'll probably want to tone down the violence a bit (obviously, YMMV). I'm not saying this is not an "appropriate" book, I just want to point out that some parents might be wary of the theme. Don't worry, there are no Starks in this tale

Un cuento muy original y tierno, me encantÃ !! Para los que hemos leÃ-do Game of Thrones, este cuento no estÃ relacionado para nada con la saga.

Es bueno pero muy muy corto, facil de leer y parece haber sido escrito para niÃ os menores de 10 aÃ os , igualmente me lo lei. Anita Figueira Norwalk.CA

Es espectacular! una narrativa unica que quizas se escapa de lo que propiamente es un libro de cuentos par aniÃ os pero para los amantes de CDIYF
