Part Of Your World: A Little Mermaid...flipped (Almost A Fairytale)

Synopsis

Ian Ocean is home after two years in the Peace Corps, and is ready to start his adult life. Ellis Noble is divorced, an artist, and hasn't had a man turn her head for years, until she meets Ian. Open, friendly, and an artist himself, Ian seems to understand the ins and outs of her life with ease. But attraction is rarely so simple. Not only is Ian much younger than Ellis, but he's also the son of her neighbor and best friend. After only a few dates with Ellis, Ian finds himself unable to stop thinking about her. He wasn't planning on jumping into anything serious, but his heart tells him otherwise. When Ellis sees the contrast between the messiness of her life, and the simplicity of Ian's, coupled with her best friend suggestion that Ellis should back off, she puts as much distance between them as she can. Now Ian is afraid that no matter how much he wants her, he might never be part of Ellis's world. But then, he might not give up so easily... Part of Your World is the third standalone novella in the Almost A Fairytale series, the first being Mismatched in Love: Almost Cinderella, and Waiting to Fall: Almost Rapunzel.

Customer Reviews

I LOVED this book!!! I started reading it at the gym and stayed on the treadmill twice as long just

because I couldn't stop reading it! Love the characters! So easy to like & want them to be happy!
This author has a gift for writing! Can't wait to read everything they write!!

Fun, quick read. To be honest the Little Mermaid stuff felt forced and it was annoying to me after a while. It didn't seem to fit with the tone of the story. If you omit it entirely, I think it'd be stronger overall. Really though I enjoyed it and will continue to read the series.

I liked it as a whole but was sad that it ended so abruptly. :(otherwise a good read. I believe most readers would enjoy, I just wanted it to be a bit longer! :)

The story line was fun, clean, quirky and well-written. I am very impressed with this author. She writes emotions really well.
